ALBEMARLE COUNTY ADVANTAGES

- Albemarle County partners with the **University of Virginia** and **Piedmont Virginia Community College** to unite the university's intellectual firepower with Albemarle's highly educated workforce, leading to unique opportunities for businesses in the area.
- The County is home to **two UVA research parks, North Fork and Fontaine Research Park**, that support vibrant **biotechnology and life sciences communities** and the **intelligence and national security ecosystem**.
- Albemarle County benefits from excellent road, rail, and air transportation. Albemarle has **multiple access points to I-64**, offering businesses easy access to **I-95** and **I-81**. US Routes 29 and 250 also run through Albemarle.
- The **Charlottesville Albemarle Airport (CHO)** located in the county, offers over **50 daily non-stop flights** to and from Charlotte, New York, Washington, Atlanta, and Chicago. Amtrak offers daily service between Charlottesville and Washington, D.C.
- Albemarle County has a significant intelligence and national security presence that contributes \$1.2 billion of regional economic impact annually. The county has invested in **Rivanna Futures**, a 172-acre development area to create the **Intelligence & National Innovation Acceleration Campus (INSAIC)** where private sector, public sector, and academic users will collaborate. Between **North Fork and Rivanna Futures** are **371 acres** of commercial/industrial land available.
