Equinix

Advantages for Business

- Culpeper's location and utility infrastructure is ready to handle data center growth. Upgraded electricity as well as extensive and diverse fiber optic networks help power high-tech firms.
- Culpeper's diverse and growing workforce starts in public schools with its \$17 million technical education center. Combined with other workforce development programming, Culpeper promises a labor force ready to work with its hands.
- Culpeper offers convenient access to the nation's leading markets. Culpeper is located just an hour south of Washington, DC and 40 minutes from Charlottesville, VA. Culpeper also offers convenient access to a number of interstate highways including I-95, 30 miles east; I-66, 42 miles north; I-64, 49 miles south; and I-81, 50 miles west.
- As one of Virginia's five strategically-placed Foreign Trade Zones, Culpeper's FTZ allows companies involved in international commerce to improve the cost competitiveness of their U.S.-based operations.
